

Plate Mounted Axial Fans Ex'd'

Application

- The pre-engineered plate mounted fans incorporate a flameproof motor and anti-static impellor. Typical applications include battery exhaust rooms and paint spray booths.
- Incorporated finger guard on the fan inlet comes as standard.

Design

- Galvanised steel fan casing.

Motor

- Available in 240V single phase only. Motors are not speed controllable.

Impeller

- High efficiency anti-static axial impellor.

Technical Data & Specification

- Email info@blaubergventilation.com.au for all technical data, sizes, fan curves, noise specification or any other information required.
