

# Short Case Axial Fans

## Application

- o Suitable for duct mounting in any position, with a compact flanged casing for ease of installation to ductwork.

## Design

- o Galvanised steel fan casing with powder coated finish.

## Motor

- o External rotor motor in 240V single phase & 415V three phase, four and six pole options. Motors are speed controllable.

## Protection

- o IP54 with integral thermal protection.

## Impeller

- o High efficiency fixed pitch axial impeller.

## Technical Data & Specification

- o Email [info@blaubergventilation.com.au](mailto:info@blaubergventilation.com.au) for all technical data, sizes, fan curves, noise specification or any other information required.
